

PUNTA PUNTA X SISTERHOOD OF SURF

15-22 OCTOBER 2026

Welcome to the sisterhood.

A women's surf and adventure experience created for sisters who want to chase waves, explore new places, and immerse themselves in local culture.

In April, we're heading to Punta Punta, Siargao (Philippines) — an oceanfront paradise where the boat picks you up right at your doorstep for daily surf sessions.

Whether you're a beginner catching your first wave or an advanced beginner surfer wanting to progress with confidence, our surf sessions are designed to build skill, fun, and connection. You'll be guided by local Filipino surf coaches (2:1 ratio), supported by the energy of your SOS sisters.

But SOS has always been more than surfing.

Each day flows with movement and meditation, cultural experiences, cooking lessons with local women, and time to rest, explore, and soak up the beauty of island life. Expect incredible food, sunrise rituals, laughter, and the kind of sisterhood that lasts long after the trip ends.

We also care deeply about the places we visit.

From each package, \$50 goes directly to local community projects. On our last visit, our sisters helped build new access roads with Punta Punta — a small contribution that made a lasting difference for the local community.

This is your time to reconnect — with yourself, the ocean, and other incredible women from around the world. There's always room for coconuts at sunset... or a cocktail or two.

Sisterhood of Surf – Terms & Conditions

Welcome to Sisterhood of Surf.

We're so excited to have you joining us for this unforgettable surf and sisterhood experience.

Please take a moment to read through the Terms & Conditions below. By confirming your booking, you acknowledge that you've read, understood, and agreed to these terms.

1. Booking, Payment & Cancellations

All sisters are covered by a 30-day cooling-off period from the date of deposit. During this time, if you can't make the trip work, we'll refund your deposit in full. After 30 days, deposits and payments are non-refundable unless Sisterhood of Surf can fill your spot. If your place is filled, a refund will be issued minus a \$150 AUD administrative fee. The remaining balance is due by the date shown on your invoice. If payment terms are not met, your spot may be cancelled and offered to someone on our waitlist. If we need to cancel or postpone the retreat due to circumstances beyond our control (such as border closures, natural disasters, or minimum numbers not being met), you'll receive a credit for a future retreat or a refund (less any unrecoverable costs).

2. Travel Insurance

Travel insurance is mandatory and must include cover for:

- Medical emergencies and surf-related injuries
- Trip cancellations or delays
- Lost, stolen, or damaged belongings

Please arrange insurance after your 30-day cooling-off period and send a copy to our team prior to travel.

Sisterhood of Surf cannot be held responsible for disruptions or costs beyond our control.

3. Health & Safety

By joining, you confirm that you are fit and able to take part in retreat activities. Please notify us of any medical conditions, injuries, or medications that may impact your participation.

All surf, movement, and travel activities are undertaken at your own risk.

4. The 50/ 50 rule

We bring half the experience — the planning, the waves, the connection, and the good times.

The other half is yours: an open mind, kindness, respect, and a willingness to be part of something special.

Together, that's the Sisterhood way.

5. Mother Nature

We work in harmony with the ocean and the elements.

Surf conditions and weather are beyond our control, but our team will always adjust plans to make the most of what the day brings — ensuring an incredible experience, no matter what Mother Nature delivers.

6. Conduct & Behaviour

Respect for our sisters, our hosts, and local communities is at the heart of SOS.

We value good energy, inclusivity, and connection. Anyone behaving in a way that disrupts others' safety or enjoyment may be asked to leave without refund.

7. Photos & Media

By joining a Sisterhood of Surf retreat, you agree that photos and videos taken during the experience may be used by Sisterhood of Surf for marketing, social media, and promotional purposes.

You're always welcome to share your personal photos for non-commercial use.

However, these images may not be used for any commercial purpose without prior written agreement from Sisterhood of Surf. **If you prefer not to be photographed, please notify us before the retreat begins.**

8. Originality & Integrity

All Sisterhood of Surf retreats, materials, and programs are original concepts developed through years of experience and community. All creative content, systems, and resources remain the property of Sisterhood of Surf and may not be reproduced or used commercially without written consent.

9. Liability

While every effort is made to provide a safe and supportive environment, all activities — including surfing, movement, excursions, and travel — are undertaken at your own risk.

Sisterhood of Surf and its partners are not liable for injury, loss, or damage except where required by law.

10. Giving Back – The \$50 Sisterhood Community Fund

Each Sisterhood of Surf package includes a \$50 contribution to local community projects in the regions we visit.

On our last visit to Punta Punta, our sisters' contribution helped build new access roads for the local village — a small but meaningful difference made possible by our community.

Agreement

By confirming your booking, you agree to these Terms & Conditions and promise to show up ready to surf, connect, and embrace the Sisterhood spirit — with open hearts, good vibes, and a love for the ocean
